Chapter 1

**Nightlystar laid with her two newborn kits pressed to her belly she had just kitted them and hurricanewind is still on patrol. silverstripe sent frozenriver to
Get him from patrol.**

Hurricanewind burst into camp "she had the kits" he exclaimed in delight. "yes she did" featherflight purrs "go meet your son and daughter" omegaheart purrs in amusement. hurricanewind ran up to Nightlystar's den. she looked up at him when he pushed into her large den. "Hi my love" hurricanewind purred. Nightlystar unwrapped her tail from the two tiny bodies suckling from her swollen belly. hurricanewind's eyes widen with joy as he looked at his son and daughter. "what do you want to name them" hurricanewind purrs and rasped his tongue over Nightlystar's head. "the Tom rushingkit and the she-cat blazingkit" Nightlystar purrs and licked her kits tiny heads. Hurricanewind nods and laid beside Nightlystar and his kits.

**Nightlystar woke to sedgestar, sweetheart and deltastar standing in front of her. "mother, father,
Sweetheart why am I here" Nightlystar asked " the time of the stars coming dear be ready" sweetheart meows. "that makes no sense" Nightlystar meows. "be patience young one" a smokey black she-cat padded up with a white and black Tom and a large blue eyed black Tom following behind her. "wolfstar, creedstar, razorstar" sedgestar said In astonishment. "Nightlystar your a brave and powerful leader that is why your the only one who can find the 4 cats who can help you defeat the time of the stars" wolfstar meows and touched her nose to Nightlystar's head. "spiritclan is with you" creedstar meows. "spiritclan will always be there to watch over you and the 4" razorstar meows. "you have a power within you Nightlystar you have the voice of a lion and strength of a tiger" wolfstar Meows. "find the 4 before the time of the stars comes"**

sedgestar meows. "yes I'll do my best" Nightlystar meows before falling asleep.

Nightlystar awoke to her kits kneading her belly with tiny paws. Hurricanewind was no longer in the den he must have left for patrol. Nightlystar stood up from her kits and padded out of the den. Emufeather was giving orders for patrols. "emufeather has hurricanewind gone on patrol" Nightlystar meows. emufeather turns to Nightlystar "yea he took Dakota, coyotefang, honeydrop and harepaw to the meadowclan border" emufeather meows. Sharpclan had taken all of the treeclan territory after the war and half the clan joined Sharpclan and the rest joined the barn rogues. suddenly harepaw tumbled into camp with two streamclan warriors on his tail. Nightlystar hurled herself at the toms bowling the toms over "how dare you invade my territory" she snarled. "Nightlystar streamclan is attacking hurricanewind's patrol" harepaw screeched. "featherflight my den now guard my kits" Nightlystar ordered. "me, thicktrout, hawkfeather , Whitesky, sorrelstep, starsight , coaldust, rowanflame, fishleg, burntsky and rebelbeauty will be going to help" Nightlystar yowled and lead the battle patrol to fight.

Hurricanewind was fighting bloodystar when a deafening battle cry broke through the fighting cats and hurricanewind saw his mate leading a large battle patrol. bloodystar slammed his paws into hurricanewind's chest and his claws met his throat. "no" Nightlystar screeched and streaks through fighting cats and leaps on bloodystar. hurricanewind fell on his side with blood gushing from his throat. Nightlystar drug her claws down and across bloodystar's body. the elderly Tom screeched in pain from the deep wounds. Nightlystar sliced bloodystar's throat wide open and ran to her dying mate. "no no hurricanewind look at me" Nightlystar cried. "tell are kits I will always love them and that I'm sorry for not going to be there for them" hurricanewind whispers as the raise and fall of his chest faded away. "no hurricanewind" Nightlystar wailed. "I'm so sorry Nightlystar" sedgestar's voice whispers softly in her ear.

Chapter 2

Dakota carried hurricanewind back to camp for Nightlystar. Rebelbeauty and burntsky pressed to there mothers sides. suddenly a screech of terror came from Nightlystar's den and she pushed from the sisters and raced up to her den. Nightlystar's eyes widen in horror at the sight in front of her blood splattered the walls of her den. "featherflight" Nightlystar's voice cracks in sorrow and rage. omegaheart crouched beside the bloody body of featherflight. "my kits" the Nightlystar panicked. "streamclan stole my kits" Nightlystar wailed. Rage claws at Nightlystar like icy claws "I'll kill those fox hearts" Nightlystar yowls. "Emufeather your in charge I'm getting my kits back" Nightlystar snarled. "Nightlystar I'll have three warriors come with you" emufeather meows. "no I'm doing this alone emufeather" Nightlystar meows sternly. Emufeather nods and Nightlystar takes off.

"Nightlystar What do you want now you already killed are leader" raccoonmoon hissed. "my kits you fox hearts" Nightlystar snarled. "kill her" raccoonmoon snarled. "i Have 9 lives you'll have to kill me nine times" Nightlystar chuckles. "now give me my kits or I'll destroy streamclan you've caused enough trouble" Nightlystar snarled. Raccoonmoon's eyes widen as Nightlystar's eyes began to glow "if my kits are not returned to me I'll make it so that it was like streamclan never existed" Nightlystar roars. "Raccoonmoon I'm joining Nightlystar" hollywish meows. "my kits now" Nightlystar's deathly gaze fell on to hollywish. hollywish nods and waves her tail to two she-cats mudsoar and autumnpool. the two she-cats quickly ran up with Nightlystar's two kits dangling from there jaws. they sat the kits at Nightlystar's paws and darted away when the queen snarled at them. "hollywish if it is your wish to join sharpclan i will accept you in my clan" Nightlystar meows. "now raccoonmoon id find somewhere else to live cause I am
Going to speak of this at the next gathering" Nightlystar

snarled. "meadowclan isn't going to except that your steal other clans kits" Nightlystar growled. "hollywish will you carry blazingkit" Nightlystar meows. the black she-cat nods and gently picks up Nightlystar's daughter and the two she-cats took off. "I'm sorry my former mate killed your mate" hollywish meows. "It wasn't your fault hollywish you weren't there" Nightlystar meows. The two she-cats returned to sharpclan and emufeather ran up. "Nightlystar why is hollywish with you" he asked. " she has asked to join sharpclan" Nightlystar meows. "Cheetahspeck take her to the nursery" Nightlystar ordered and padded up to the two bodies in the clearing. "featherflight you were my mother when sedgestar wasn't" Nightlystar whispers "you dies fighting for my kits and I'll always thank you for that" she rasped her tongue over featherflight's cheek. she looked at hurricanewind and stiffen she had killed the Tom who killed him. Nightlystar shook her head and went to her den where her two tiny kits laid peacefully in their sleep. Nightlystar let tears slip down her face as she curled around her kits. She cried herself to sleep that night feeling the pain of losing hurricanewind and featherflight.

Chapter 3

"Nightlystar wake up" two voices whined in her ears. Nightlystar opened one eye to see her son and daughter standing over her. blazingkit's dark green eyes stared into Nightlystar's . Nightlystar saw hurricanewind In her daughter and it made her miss him even more. Nightlystar sighs and stood up "let's go eat my dears" Nightlystar purrs in amusement at the kits jumping around her legs. "Mama mama can we eat this" blazingkit asked holding up a pebble. "no my dear that's a rock you can't eat a rock" Nightlystar meows. rebelbeauty dashed over with her enlarged belly with kits. She was mates with gingersplash and was due to have kits any day now. Nightlystar wasn't having kits again but maybe if she finds a Tom she will ever love again. Rushingkit looked at his mother with Sad eyes cause he could see his mother's sadness. suddenly a battle cry rang out and rushingkit stiffen with fear. "streamclan" rebelbeauty yowls. suddenly a cat in racing towards him and blazingkit. blazingkit squeals In fright and pressed to rushingkit's side. suddenly paws hit the ground in front of the siblings. rushingkit looks up to see their mother Nightlystar standing in front of them. Nightlystar's muscles were bulging out as she got ready to fight. rushingkit admired his mother he wanted to be just like her. Nightlystar knocks the Tom right off his paws with a single swipe of her paw. "Rushingkit, blazingkit move" Nightlystar yowled. suddenly a jet black she-cat bowled the two kits out of the way of a charging Tom. Nightlystar sighs in relief when the she-cat did that. "who are you" rushingkit asked. "my name is raven little one" the she-cat meows. "mother" blazingkit screeched and ran to Nightlystar. "thank you for saving my kits" Nightlystar meows.

The 4 contest

I need 4 cats for the 4 cats who are going to be with Nightlystar to fight the night of the stars use the following information below they have to be rogues or loners first before warriors-

Name (rogue/loner too)

Description with eye color please

Mate:

Kits:

Thank you so much my loves
